High Achievers’ Scholarships

Foundation Studies:

A scholarship equivalent to 25% of the tuition fee will be awarded to all candidates who have at least 7As at SPM/GCSE. We will be awarding an additional scholarship for candidates who:

- successfully obtain 9As at SPM with an additional 5% - total 30% discount,
- successfully obtain 11As and above at SPM with an additional 10% - total 35% discount.

This High Achievers’ Scholarship will continue to a student’s undergraduate programme provided an average mark of at least 65% is maintained throughout the Foundation Programme. Loss of scholarship due to poor examination performance cannot be regained.

Applicants who did not meet the criteria for the Foundation Year High Achievers’ Scholarship, but have successfully completed The University of Nottingham Malaysia Campus Foundation Year Programme with an average mark 75% are entitled to the High Achievers’ scholarship if they continue their studies to undergraduate level. Loss of scholarship due to poor examination performance cannot be regained.

This scholarship is only available to Malaysian SPM applicants who apply for any of the three semester Foundation Year programmes.

Undergraduate Programmes:

A High Achievers’ Scholarship equivalent to 25% of the tuition fee will be awarded to students satisfying the criteria outlined below. High Achievers’ Scholarships are only available to those students entering the first year of the degree programme. Once awarded the Scholarship will continue for each year of the student’s undergraduate programme provided an average mark of 60% (upper second class degree) is achieved in each year’s examinations. Once lost due to poor examination performance the scholarship cannot be regained. Students who satisfy the criteria below but are unable, due to family circumstances, to afford the fees may be eligible for enhanced scholarships. Enhanced scholarships are awarded on an individual basis at the discretion of the University.

General Criteria:

For A-level entrants, students with 2As and 1B (AAB), will be eligible
For STPM entrants, students with 2As and 1B+ (AAB+), will be eligible (A- does not count)
